

Creative expertise delivering exciting design ideas, concepts and solutions.

- **Graphic Design**
- **Logos / Branding / Visual Identity**
- **Print Management**
- **Website Design / Development**
- **SEO / PPC / Google Adwords**

Based in London's Royal Docks, we are a top quality team of highly qualified and experienced graphic designers, illustrators, print managers, web developers & SEO/PPC/Google Adword specialists.

Full members of the Design Business Association, the CIM and CIPR. With many years industry experience, the team brainstorm the brief... then develop innovative designs, colours and solutions which excite the imagination with inspired design possibilities.

- Full Branding and Visual Identity
- Website Development and Digital Design
- Leaflets and Brochures
- Newsletters and Presentation Packs
- Business Cards and Stationery
- Indoor / Outdoor Banners and Signage

*"We have been working with Marcomedia for many years, they are super responsive to our ever changing needs and last minute requests are never a problem. All the staff are lovely and really take the time to understand our product but above all, the final result is always outstanding.*

*We would have no hesitation in recommending their services... it's five stars from us!"*

**Zoe Walsh, Sales Director**  
Greater London Hire (GLH)
