Producing elegant practical design solutions.

- **Planning Approval**
- **Commercial and Residential**
- **Conversion and Extension Solutions**
- **New Build and Re-design**
- **Initial site appraisal**

Mark Fage BSc(Hons) Dip Arch RIBA is a practical and commercially aware Architect with a wide range of experience, covering most types of building uses.

He deals with new build, refurbishment, replacement, conversion and extension on any type of building in any style.

Working in his client's interest at all times, Mark strives to produce simple elegant solutions to sometimes complexed design problems.

Providing an efficient personal service to his clients, Mark takes care of all Planning and Building regulations requirements.

Mark is always happy to make initial visits to discuss and advise on any building proposal.
