

Motech Vehicle Services

Tony Amdur

Motech Vehicle Services for all your motoring needs.

- Servicing and repairs
- Full onsite diagnostics
- Class 1-4 MOT's
- 4 Wheel alignment
- Aircon repair/regas

We are a family run garage with a fully equipped workshop and a professional and friendly experience every time customers visit.

We carry out Car, Bike, Quad and light van MOT's, all general mechanical repairs, servicing, engine management and fault diagnostics, 4 wheel alignment & Air conditioning repair and regas.

Motech are part of the Good Garage Scheme and we adhere to a strict Code of Conduct and pledge to have our customers' best interest at heart.

We can arrange for collection and delivery of your vehicle and in the event of breakdowns we can arrange for your vehicle to be recovered into us.

All our work is fully guaranteed.

Whether it is mum's taxi or your company's fleet of vehicles, no job is too small and our advice is given freely with no obligation.

"Excellent service, gives you the personal touch, would recommend them to anyone. Very satisfied, well done."

Brian Moore, Chingford
