Smile Design By Ash is a unique, state-of-the-art spa-like dental practice in Chigwell, Essex. Ash and his Team offer a very professional and friendly service for anyone that wants healthy, strong teeth and a natural, attractive smile.

The emphasis is on the prevention of dental problems. So, whether you want to improve your confidence with straight, white teeth; eat better and enjoy your food by replacing missing teeth; have a dental check-up, or have a dental emergency attended to, then Smile Design By Ash should be your Number 1 choice.

A special emphasis is made on looking after anxious patients. Using a special 4-step relaxation technique called Nucaalm, comfortable local anaesthetic application and gentle dental care, patients are ensured of a relaxing experience every time.
