Diamond offers complete ranges of furniture, all workstations have matching storage including pedestal drawers, double door cupboards, tambour cupboards and filing cabinets.

Matching meeting - boardroom tables and reception desks are available in all ranges. Our service includes space planning giving you peace of mind that the furniture will fit when it arrives.

We provide delivery and installation - as well as instructions on chair functions and after care of all furniture. Diamond custom makes its own range of furniture.

This range can be made to any size or shape, in fact to fit any room you require. Any size any height and any colour!

Based in Harlow in Essex we source the majority of our office furniture in the UK. Our location gives us easy access to service clients in Essex, Hertfordshire, London and across the UK as a whole.
