North London Loft Rooms is driven by our desire to provide a first class service in both our build quality and customer service.

Every build project we undertake is given a dedicated project manager, who will guide you through each stage of the project, bringing a level of reassurance & professionalism that is rarely seen in this industry. All of this is backed up by our bespoke CRM system giving you access to the progress of your job 24/7.

North London Loft Rooms are fiercely committed to **STANDING OUT FROM THE CROWD** in the way that we conduct our business.

We are passionate about what we do and unlike other companies, we assure you that we will **NEVER** sell on any work to a third party. You can therefore rest assured that any project we take on for you will be treated with the utmost care, and we will leave you with a build that we can all be proud of.

We're so confident about our work we offer a transferable 10 year guarantee.
