

A treatment at Time Clinic is not just about how you look, but how you feel.

- Fine lines & wrinkles
- Hair loss
- Nose deformities
- Skincare for acne & pigmentation
- Tired eyes & thin lips

Be transformed at our facial medical aesthetic & skin care clinic in South Woodford where expert and safe treatment comes guaranteed.

A visit to Time Clinic is truly a unique, transformative experience for all. We recognise the importance of treating patients with a holistic approach to ensure that they enjoy the perfect patient experience at every visit.

Understanding that every patient has a unique goal, Dr Bawa, a GP with a surgical background

and a passion for patient safety and educational training, takes the time to personally get to know each of his patients so we can deliver the ideal skin treatment plan for them.

We believe in creating natural looking results, so you look and feel your very best.

*"I can't rate Dr Bawa highly enough. He is exceptionally skilled and you always know that you are in the safest of hands, not only because of his impressive medical background but because of the time and care he takes to listen and respond to your individual needs. Not only that he is a truly lovely and genuine person. I would not hesitate in highly recommending him."*
