As a Sales Director I am driven by my passion for property and this award winning agency, Three Oaks, have embarked into the world of residential and commercial sales.

With over 25 years expertise in valuing and selling properties, I am now dealing with lettings as well and I am really enjoying this challenge.

Understanding buyers and tenants and knowing the ins and outs of the property market leads to a successful business. Going that extra mile is key. **We are an award winning lettings agency, being recognised as Gold Winners for Best Letting Agency 2018 – 2021.**

You get the full Beverly package. I deal with all aspects of sales giving you complete peace of mind to know that as a buyer, all your needs are taken care of and as a seller you have no worries or stress.

Lettings also gets the full Beverly package. Liaising with landlords and tenants alike is essential.
