

City Mortgage Solutions

Jemma Lewis Cemap

Mortgage and protection advisor.

- Residential mortgages
- Bridging loans
- Buy to lets
- Limited company mortgages
- Full advice and recommendation

Jemma is a whole of market mortgage broker offering full advice and recommendation.

She deals with all residential finance from first time buyers looking to purchase their first property to managing landlord and investors with multiple properties within their portfolio.

Jemma prides herself on being down to earth and approachable and assists you through the whole process, start to finish!

Jemma is an independent advisor based in Essex and has clients with property all over the country meaning no limitations in terms of property locations.

With access to the whole market, recommending you to the best product based on your situation, Jemma is able to provide a friendly and professional one to one service, helping you - with all of your mortgage and protection needs.

"Jemma Lewis has been dealing with my mortgages and life insurance for five years. She is very friendly, easy to get on with and at the same time very professional, efficient and always provides the best service. She has been a God send and I have no reservation in recommending Jemma and city mortgage solutions to friends and family. Thank you for such a fantastic service that you provide at all times." **Mr J Acheampong, Portfolio Landlord, Essex**
